

## ANNOUNCEMENT

### **11.49 million US dollars were used by young Kazakhstanis within the framework of the program "National Fund for Children"**

As of May 1, 2025, since February 1, 2024, **97,615** applications have been executed (transferred to authorized operators for crediting to applicants' bank accounts) for an amount of over **USD 11.49 million**. Of these, **56,937** applications for an amount of over **USD 6.70 million** have been executed for the purpose of improving **housing conditions**, and **40,678** applications for an amount of approximately **USD 4.79 million** have been executed for paying for **education**. Let us remind you that the recipient of target savings (TS) has the right to use the entire amount or part of it, the remainder of the unused amount remains in the target savings account (TSA).

The most popular sub-goals for using funds to **improve housing** were: replenishment of a contribution to housing construction savings for further accumulation (55,539 applications were completed for a total of approximately 6.55 million US dollars), making a down payment to obtain a mortgage loan for the purchase of housing - 442 applications for a total of approximately 49.94 thousand US dollars, and the purchase of housing in civil transactions (final settlement) - 370 applications for a total of more than 38.57 thousand US dollars.

The most popular sub-goals in terms of **paying for education** were: payment for educational services of educational organizations located in the Republic of Kazakhstan, in installments (for each academic period or academic year) or in full at one time (for the entire period of study) (35,617 applications were completed for a total of approximately 4.24 million US dollars), replenishment of an educational savings deposit under an agreement on an educational savings deposit (3,789 applications were completed for a total of over 412.21 thousand US dollars), payment for educational services of foreign educational organizations in installments (for each academic period or academic year) or in full at one time (for the entire period of study) (1,067 applications were completed for a total of over 114.96 thousand US dollars).

[Detailed information](#) on payments of targeted savings for the purpose of improving housing conditions and (or) paying for education by authorized operators and regions can be found on the website [enpf.kz](http://enpf.kz).

Let us remind you that according to the program "National Fund for Children", 50% of the investment income of the National Fund of the Republic of Kazakhstan is distributed once a year among children who are citizens of the Republic of Kazakhstan who were born in 2006 and later. For 2023, all recipients of the TS were credited with **100.52 US dollars**, for 2024 - **129.38 US dollars**. Children who received their first funds from the National

Fund in 2023, with the exception of persons born in 2006, were credited with **investment income in the amount of 3.04 US dollars** this year. As a result, the target savings of a child born in 2006 amount to 100.52 US dollars, and those born in 2007 – **232.94 US dollars**.

**Adult citizens must independently obtain information about their TS through their personal account on the Internet resources of the UAPF or e-government**, and then **contact** an authorized operator to open a bank account in US dollars and submit an online application for payment of TS to improve housing conditions and (or) pay for education.
